Thank you, Miss Gao! I am Li Xin from Class 3, Grade 9. After three years' school life here, I want to say thanks to people around me, especially my head teacher Miss Gao.

Talking about her, I feel a great sense of warmth. When I failed my English exam, she didn' t shout at me but comforted me softly, "Mistakes are steps to big success". Thanks to her help, I made great progress. To show my gratitude, I plan to write her a thank-you letter. Besides, a small surprise gift like a little plant will be a good choice.

Teachers are always guiding us. We should appreciate their hard work and make them proud.
