I had a summer camp with my classmates last year.

Early in the morning, we gathered (集合) at the bus station. After saying goodbye to our parents, we got on the buses. It took us more than two hours to arrive at the campground.

We got off the buses happily, laughing and shouting. We jumped and ran all over the place. It was the first time for us to be away from the parents. Some of us started to feel homesick. However, when the night party and dances began, the homesick was gone.

The next day, everybody rushed to the boating class, hoping to be at the head of the others. At first, my friends and I worked hard, but the boat wouldn't listen to us and kept going round and round. Then the teacher taught us how to work together. After many tries, we did much better.

Swimming class was my favorite. It was about the hottest time of a day and the best time to stay in the cool water. The swimming teacher was a funny man, and during the class he often made us laugh happily.

During the week, I learned a lot and made many new friends. I also learned how to take care of myself.

## My Trip to the East Lake

This summer vacation, I went to the East Lake with my friend Tom.

It was sunny. We went there by bus. The ride was fast because we talked all the way. After we arrived, we rented a bike and rode along the lake. The air was so clean and the sky was so clear that we lost ourselves in the beauty of nature. We took many great photos, too. After that, we went to a local restaurant and ordered two large bowls of hot noodles. They were quite delicious.

All in all, it was an interesting and unforgettable trip.
